

**SAFE. VERIFIED. PEOPLE POWERED**

# **BRAND GUIDELINES**

A Visual and verbal system for a youth-led digital repository, live safety network and civic knowledge platform

# WHY WE EXIST

The India Project unites people across India around verified information, field safety, political education and constructive civic action. It began in a student-led protest context, but its purpose is broader: a secure, neutral and accessible digital ecosystem for movements that need clarity, coordination and public memory.

## BRAND PROMISE

Make participation safer. Make information clearer. make evidence harder to erase.

### SAFE

Field guidance, emergency resources and responsible updates.

### VERIFIED

Source-led information, evidence integrity and clear timestamps.

### NEUTRAL

Independent, non-partisan and not aligned to a political party.

### CONSTRUCTIVE

Accountability, learning and practical public action.

# ONE MOVEMENT. THREE LEVELS OF VOICES.

## PRIMARY MARK

For major campaigns, movement launches, landmark moments and high-visibility communication.

## SECONDARY MARK

For documents, digital headers, website navigation, other profile images

## LOGO MARK

Social media, other smaller formats

### RULE

Never redraw, compress or recolour the mark. Keep clear space around the fist, crowd and word mark. Avoid busy photography behind it.

# EXPRESSIVE, WITH A CLEAR VOLUME CONTROL

## POWER COLOURS

Red for urgency, blue for trust, orange for energy, purple for unity.

# ANTON

Campaign headlines only. Short, uppercase, emotional and public-facing.

## Inter semibold

Subheads, calls to action, navigation, safety instructions and functional heirarchy

## Inter regular

Body copy, reports, explainers, legal information, evidence notes and educational content

**ANTON SPEAKS.**

**INTER EXPLAINS.**

The louder the message, the simpler the layout. The more sensitive the information, the quieter and clearer the design.

# CULTURALLY ROOTED. DIGITALLY USEFUL.

Bandhani dots

Block-print floral

Rangoli geometry

Folk textile

Tribal geometry

Folk stripe

Patterns are framing devices, not wallpaper. Use one dominant texture per layout and one secondary texture at most. Keep information zones clean. Texture may carry emotion; text must carry meaning.

**ICON STYLE** Bold silhouettes, imperfect ink, simple geometry and immediate meaning. Icons must remain readable at small sizes.

# CALM IN FACT. BOLD IN PURPOSE.

## CLEAR

Say what happened, where, when and what people need to know.

## VERIFIED

Separate confirmed facts, eyewitness reports, allegations and opinion.

## HUMAN

Write for people under pressure. Use short sentences and direct actions.

## NON-PARTISAN

Challenge systems without becoming the voice of a political party.

## CONSTRUCTIVE

Pair every problem with a demand, resource, next step or path to accountability.

# Poster Reference System

# Document System
